Ugaah!

But, it's already all over.
Good job holding out against the enemy army so far.

Hey, not yet.
Gah-

Don't take T-Tokyo for a bunch of losers!
And I just to set the stage...
It's useless. No matter what I do, only these guys are looking cool.

Treating som'un like utter trash ain't right...
It ain't trivial.

Then's it's easy street.
If Tokyo had to rely on a piece of trash like you,
.....

I'll beat ya more than ya can count,
If yer a lowlife bastard...

Huh, your legs can still move.

Kh...

You want to feel how it's like to die?

They're acting out trust.
What else? You've really been deceived this whole time and you still haven't noticed
Why aren't any of your friends coming?

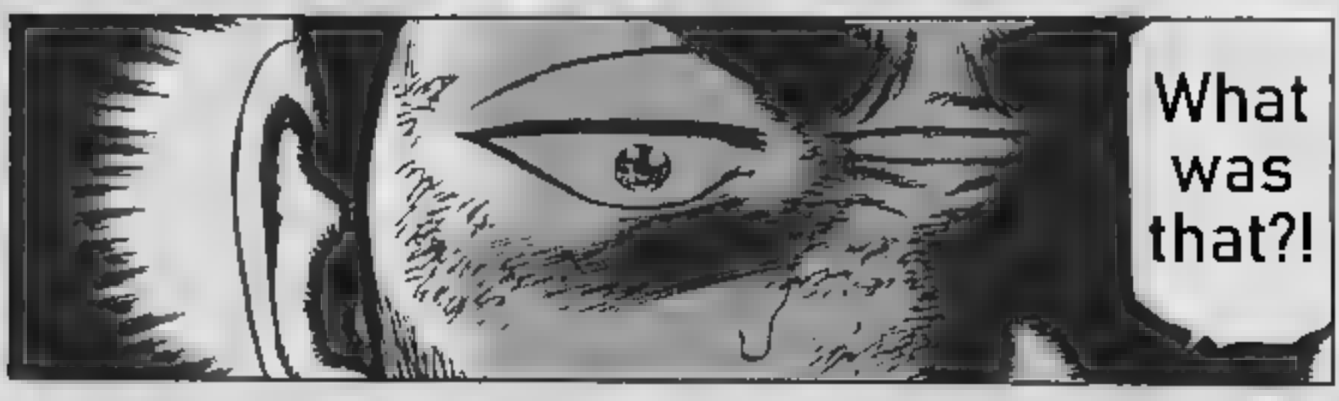
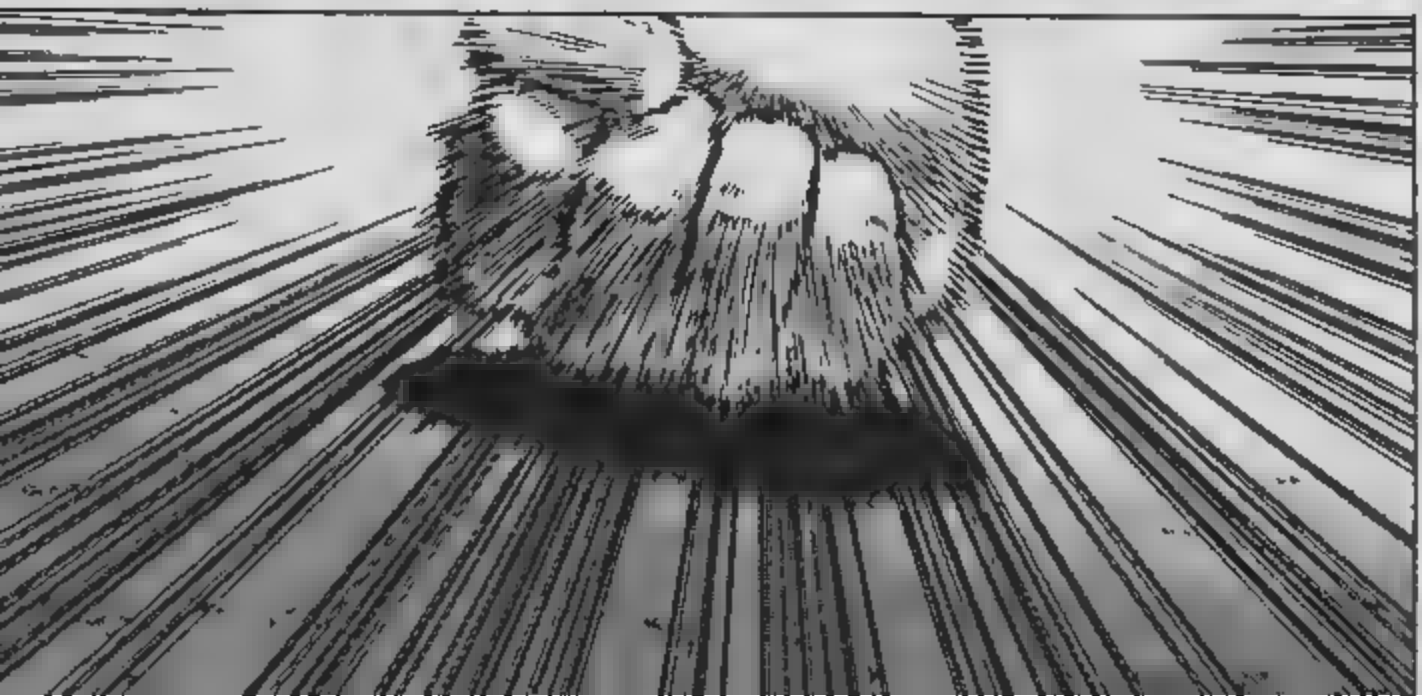
Maybe something like your bro's?

If you died, I don't know if there'd be anyone to mourn the loss
No, I'm sure of it.

But it would be a mutt's death either way



What was that?!



It went straight in!
